Arkhangelsk committee

I send my deepest condolences to the family and Arkhangelsk committee on the passing of Sgt. Rick Betters. This is a great loss for his family, friends and colleagues. I had pleasure to get acquainted with Rick during his last visit of Arkhangelsk in April. During that short period of time that we communicated, I'd seen for myself, that he was one of the best men, a fine citizen, a loyal friend, and a hearty companion. I hope it will be some consolation in your bereavement to know that those of us who had professional contact with Mr. Betters will long cherish his memory.

Sincerely yours,

Mayor of Arkhangelsk

Victor Pavlenko
